Welcome

to Gililand Middle School! We are very excited and enthusiastic as we look forward to another school year at Gililand. Our school continues to make tremendous strides in achievement, growth, and success within our students each and every year. Our district, school, teachers, students, and the community take pride in the tradition and the environment that Clyde Gililand established in 1963. We ensure that ALL students are learning, growing, accountable, and have a positive experience at Gililand. They are given an education that has research-based instructional and engagement strategies, a high level of rigor within the classrooms, a technology-rich school where students are given opportunities to have interactive and engaging lessons, and dedicated, nurturing teachers and staff members that are passionate about kids and education.

At Gililand Middle School, we continue to work together toward the success of students in school and life. We use the T.E.A.M acronym that stands for Together Everyone Achieves More! Our data continues to move in a positive direction through the use of assessment, benchmarks, and targeting students to meet their needs in the classroom.

If you have any questions or concerns, please do not hesitate to call me at (480) 966-7114 or e-mail me at bwald@tempeschools.org. Thank you for your continued support at Gililand Middle School.

Sincerely,

DRESS STANDARDS

Although there is not a standard school uniform, Gililand encourages students to take pride in their attire as it relates to the school setting. Students should dress in a manner that, in addition to guidelines, takes into consideration the educational environment safety, health, and welfare of self and others.

OUTSTANDING MUSIC PROGRAMS

Here at Gililand we are strong believers in incorporating music education into our students' daily routine. We have a large variety of courses and performing groups that students can participate in. These include band, choir, jazz, orchestra, and electric orchestra. Groups perform in four concerts per year, plus at various community events and festivals.

PBIS – POSITIVE DISCIPLINE PROGRAM

PBIS (Positive Behavioral Intervention Support) is a positive discipline program that has been implemented throughout the Gililand campus. The system establishes school-wide expectations for all students; with these in place, instructional time is increased as problematic behaviors are kept to a minimum. Included in the PBIS system is a positive reward system for students who are caught doing good deeds on campus, such as picking up trash or helping a fellow student. Students can receive "Gotcha" tickets for every good deed they perform (to use for a variety of rewards at the Gotcha store) and other awards in recognition of their behavior and attendance.
