BYLAW 9: Boys & Girls Cross Country

The rules for cross-country shall be the current edition of the National Federation of High School Rules for cross-country with the following exceptions:

1. The course will be 1.5 miles (+/-) for both boys and girls.
2. Coaches and non-participants shall not run alongside their athletes during a meet. Athletes and parents may stand along the course to support runners.
3. The first five (5) runners from each team will be scored. In case of a tie, the sixth runner will be the tiebreaker. All runners will be provided a label with their name and school listed on it. The athlete will wear this label during the race. After the athlete crosses the finish line, they will remove the label and place it on the back of the scorecards. The scorecard will then be returned to the scorekeeper. The District Athletic Coordinator will provide the labels to the schools prior to the first meet.
4. The home team is responsible to provide the timekeeper, cones to line the course, scorecards, and someone to collect the scorecards for each meet. During tournament play, a designated team will provide a timekeeper, cones to line the course, scorecards, and someone to collect the scorecards. This will be a rotating schedule.
5. The strict uniform rule does not need to be followed, as long as team members can be identified as being a member of their team.
6. Student athletes may not wear jewelry; this includes earrings, necklaces, and rings.

ARTICLE XIII: Appeals

An appeal process has been established for any individual or group who has an appeal of original jurisdiction and who is adversely impacted by a decision of the Tempe Athletic Conference (TAC). The appeal process will be followed through Step 4 or until the stakeholder is accommodated. The following steps must be followed to appeal a TAC decision:

Step 1- Conference with School Site Athletic Director

Step 2- Conference with District Athletic Coordinator

Step 3- Letter of Appeal submitted to TAC Coordinating Committee for review

- i. The stakeholder or group who has been adversely impacted must submit a letter of appeal to the TAC Coordinating Committee within ten (10) working days of meeting with the District Athletic Coordinator.
- ii. The letter of appeal must specify the following:
 1. The decision being disputed and information regarding the issue
 2. The adverse impact created by the decision
 3. The desired outcome
- iii. TAC Coordinating Committee will assure that the appeal qualifies for a hearing in front of the TAC Coordinating Committee. To qualify for a hearing, the TAC Coordinating Committee must find the above criteria have been met and the issue cannot be resolved to the stakeholders satisfaction.

Step 4- Ten-minute presentation to the TAC Coordinating Committee

- i. If granted a hearing, the stakeholder or group representative will have the opportunity to give a ten (10) minute oral presentation at the next regularly scheduled TAC Coordinating Committee meeting.
- ii. The TAC Coordinating Committee may make a decision to grant or deny the appeal at the same meeting, or take the matter under advisement for a decision at the next regular meeting, or schedule a special meeting to deal with the issue. A majority vote of members present at the oral presentation is required in order to overturn a previous decision of the TAC Coordinating Committee. The District Athletic Coordinator will inform the stakeholder or group of the TAC Coordinating Committee's decision. The decision of the TAC Coordinating Committee is final.

*Note: TAC Coordinating Committee decisions may only be appealed once, unless new insight or circumstances arise. There are no further appeals beyond Step 4. The TAC Coordinating Committee has the right to deny any appeal that has been previously addressed. Precedence from previous decisions will be reflected in the TAC Coordinating Committee's decisions
