A Helping Hand ~ Our Story

In 1993, Bill Krahn, a teacher from Connolly Middle School, learned he needed a heart transplant.

His co-workers from Tempe School District No. 3 formed the Bill Krahn Heart Fund and went to work raising money to help his family with expenses. Although insurance helped cover most of the costs of the transplant, the Bill Krahn Heart Fund volunteers were able to help Bill and his family with the many other costs surrounding a heart transplant that were not covered by insurance.

After Bill's successful transplant, the volunteers continued their work by forming **Friends Helping Friends**. The new organization received a non-profit status so contributions would be tax-deductible.

Friends Helping Friends continues to be the helping hand for TD3 employees and retirees who are facing a catastrophic illness – having provided more than \$200,000 in assistance to qualified applicants. Over 97¢ of every dollar goes directly to employees or retirees.

How to Request Assistance

Complete a confidential grant application. Forms are available at each district site or by calling the Superintendent's Executive Coordinator at (480) 730-7102. The grant application will ask you for financial information to assist the grant review committee. All financial information and assistance will be held in strict confidence. Applicants will be asked to meet with the grant review committee.

Friends Helping Friends is a non-profit organization available to help employees and retirees of Tempe School District No. 3 in times of catastrophic illness. We can be your resource for financial aid, personal counseling and legal assistance with minor matters.

Funding Comes from You
